

New Florida Windstorm Deductible Elimination

Would you like to **eliminate your high wind deductible?**

We have an affordable solution which will allow you to **stay in business after the storm !!!**

Insurance Companies have been raising your deductibles for wind or making it too expensive to even have this coverage. We started insuring Florida Restaurants in 1979 and we have a new affordable solution to keep you protected.

Wind Deductible Buy-Down helps those with large wind deductibles have more affordable deductible levels in the event of a storm.

The Wind Deductible Elimination (WDE) Plan helps restaurant owners eliminate the risk of a huge financial burden for minimal costs.

Wind Only Insurance covers restaurant owners who have no wind insurance and want to ensure their business is protected in the event of a storm.
